1 ABOUT US

Filmizion Productions is a Jordanian Film and TV Production company that was founded by producer Tima Shomali in 2012. Filmizion's work is mainly in TV Production ranging from talk shows to narratives. However, the company also produces commercials, corporate videos, short films, and documentaries.

2 OUR VISION

Filmizion Production's aims to produce original content that is inspired by the Jordanian community and the region as a whole. Content creation is the company's main focus, since it is striving to be a part of building the entertainment industry in Jordan.
